The Waukesha Memorial chess tournament was started in 1982 as the "Rick Marshall Memorial." This was in honor of a champion of the club who died suddenly in his early 20s. As time went on the death of other club members led to the club changing the name of the tournament. It will be held again on February 27, 2027. This will be the 45th time.

Since this is a memorial tournament, no cash prizes are offered. There are two sections, Open and Reserve. In the Open section the first-place winner(s) will have his/her name(s) engraved on a trophy, to be kept by the winner(s) until the next tournament the following year. In the Reserve section there will be engraved trophies for first, second and third place. In each section there will be book prizes for each rating class.
